St. Anthony's Parish is a Catholic Faith community rich in cultural diversity with a strong flavor of identity.

Our mission is to foster a strong spiritual growth of life and faith in our families, community and society by sharing the gift of our time, treasures and talents.

We hope to do this with a Spirit of Christian generosity that brings us closer to the blessing of unity, peace and reconciliation.

Like St. Anthony called to love and to serve - we try our best in following Christ on the road of this world using God-given gifts for his glory and for the good of our brothers and sisters.

THIRTY-SECOND SUNDAY IN ORDINARY TIME – C

November 6, 2022

Jesus Christ is the firstborn of the dead, to his glory forever and ever.

The Gospel today and the celebration of November Masses for our beloved ones force us to reflect on the meaning of life and the purpose of death. As Christians, we believe that our human existence cannot adequately be explained in terms of this earth only; life does not finish with the grave; it's open-ended, beginning here on earth but finding its completion somewhere hereafter, beyond what we call death. Death is the doorway leading to eternal life. It is our leap into eternity with God calling us to the fullness of life as we are His beloved children.

XXXII DOMENICA DEL TEMPO ORDINARIO

La speranza cristiana si concretizza in una vita vissuta intensamente in ogni istante, nella profonda convinzione che c'è sempre qualcosa per cui vale la pena vivere. Significa essere profondamente convinti che il male e la morte non hanno l'ultima parola sulla vita. Significa sapere che ogni piccola cosa che facciamo costruisce vita dentro e intorno a noi. Ogni piccola cosa: ogni gesto, ogni sguardo, ogni movimento, ogni incontro, ogni parola, ogni situazione piccola o grande che sia, dice, in fondo, la nostra speranza di vita eterna.

DO YOU BELIEVE IN THE RESURRECTION?

After the Pharisees and scribes, new opponents of Jesus appeared: the Sadducees. They denied the resurrection as a pure human chimera and adopted a different strategy of struggle against Jesus. The Sadducees feared that the influx of crowds to Jesus might turn into political agitation that the Romans would brutally suppress. Therefore, they aimed to limit Jesus' influence in public life. So, to this end, they told a story of their invention about the seven brothers and the wife of the eldest among them, thus promising to ridicule Jesus and the belief in the resurrection. In reality, the mockery was directed against Jesus' opponents. For he shows that the future world is not an extension of this one; he claims that death will be conquered and that those who are resurrected will have a share in the life of God and will no longer be subject to the biological laws of this world.

DEVELOPMENT AND PEACE - People and Planet -

In Honduras, many are criminalized for daring to defend their human, territorial or environmental rights. Such was the case of Sonia Pérez, a Radio Progreso correspondent who was arrested while reporting on the violent eviction of an Indigenous Lenca community from its land by a powerful local businessman.

"All I have done is cover the truth.... But I now feel impotent, threatened and slandered for my work." —Sonia Pérez

Let's stand in solidarity with Sonia and others who defend human rights and the Earth. Sign our petition to get Canada to adopt strong corporate due diligence laws (devp.org/act).

Together, we have the power to make a difference! Visit devp.org/joinus
