Easter - You are a great God *Pasqua - Sei grande Dio*

There is a life that breathes throughout the universe is the heart of the world of its creatures shouting loudly this song of his.

You are a great God, you are as great as my world, you are as immense as the sky, as the heart of every mother of the earth.

C'e' una vita che respira in tutto l'universo e' il cuore del mondo delle sue creature che grida forte questa sua canzone.

Sei grande Dio, sei grande come il mondo mio, sei immenso come il cielo come il cuore d'ogni madre della terra.

• *From Giosy Cento*

I like to take this opportunity to wish you and your family and friends, close or far, a Joyful and Blessed Easter for each and everyone in your family.

Una Buona e Santa Pasqua a tutti i Parrocchiani con gli Auguri di ogni bene nel Signore Risorto e presente nelle nostre famiglie.

Sincerely - Fr. Luigi - April 20, 2025
